### ***Pre-Op Instructions***

- ❖ The day of the appointment, please drop off your pet between 8:30-9:00 AM.
- ❖ We request your pet to be fasted that morning, meaning no food after 12:00 AM.
- ❖ Water may be given to your pet as normal.
- ❖ Pre-op blood work for your pet is recommended, especially for older pets. This is to check organ functionality for anesthetic purposes.
  - \$103.00 (in-house, day of procedure)
  - \$58.00 (at least two days prior to procedure)
- ❖ If you would like your pet to receive a microchip, for convenience and comfort one may be given while your pet is under anesthesia (\$100.00, including registration).

**Thank you for choosing**
